Dear Mr Robb:

I received the new white suits in time for our home stand. Thank you very much. They are very nice.

I wonder if you have enough material left to make threemore pair of pants. I find they wear the pants out before the shirts, especially spikings. The men in this league do a lot of sliding. If you do not have the material I will understand, but if you do please make me one pair to go with the 46 shirt, and two for the 44 shirt.

I should have gotten socks also, I found I did not have a complete set from the other uniforms but I am making out. Would you advise me to get socks now, or wait for next season. Do you think there might be more and better material available,

Again thank you for your cooperation in getting the uniforms to me so quickly.

Very Truly Yours
